CONTRACT AMOUNT:
\$1.4 Million

COMPLETION DATE:
2001

Tesoro removed and replaced the existing serving/kitchen equipment for the 22,000 sq. ft. cafeteria. The project scope of work included lead and asbestos abatement, demolition of existing suspended ceiling, upgrade to existing fire sprinkler system, revamping the entire electrical system, installation of a fire alarm panel system, replacing corroded sewer/plumbing pipes, replacement of all kitchen and serving line equipment, and installation of all associated finishes. The project also included the renovation of a dining/multi-purpose area.

This was Tesoro's first Corps of Engineers project, and our outstanding performance led to a follow on renovation project at DSCR.

We also were selected to receive the "Spirit of Safety Project Award" for our outstanding efforts to maximize safety on the job.
